WHERE QUALITY MEETS PRICE

Our Rug Section affords almost unlimited opportunity for securing high grade floor covering. Axminsters, Wiltons, Velvets, Imperials, etc., in a wide range of coloring & design

WILL FIGHT TO CONTROL WATER

Elephant Butte Water Users Want to Retain Ownership of Power Originating From Dam Now Being Built.

From the Evening Herald:

Las Cruces, N. M., March 22.—At the meeting of the board of directors of the Elephant Butte Water Users' Association in this city a plan was tentatively outlined of inaugurating a policy whereby the Water Users' Association may co-operate with the power company in the work of retaining the power of the Rio Grande in the New Mexico-Texas state line and on the west of the western end of the dam signed up under the Rio Grande project. The plan will be A. Vanatta, A. Medina and Echibano, the clerks; William Manay and W. G. McNary, and the polling place, the post office at Chama, N.M.

District No. 1, embracing all units bounded on the north by the mountains with Rio Grande grant, on the east by the Rio Grande on the south and on the west by the western end of the dam signed up under the Rio Grande project. The plan will be A. Vanatta, A. Medina and Echibano, the clerks; William Manay and W. G. McNary, and the polling place, the post office at Chama, N.M.

The board of regents of the Agricultural college, which is now in session, has reorganized by electing W. A. Sutherland as president to replace Dr. H. E. McBride and electing V. H. May as the secretary and treasurer.

W. J. Wilder left for El Paso, Texas, where he goes to Oklahoma City, Okla., to take charge of an electric light plant.

Mr. Wilder, with two other partners, has been working a lease on the Big Thorey claims in the Organ mountains mining district and has recently answered several calls of considerable thickness, carrying a large percentage of silver and lead.

His partners will continue to work the mine and if further development proves the ore to be as rich as it now appears, Mr. Wilder will return to the Organ district in the fall and plans will be perfected for the extensive development of the property.

Owing to the fact that Judge F. W. Parker of this district is disallowed to sit as a judge on a number of cases which are now pending, Judge F. W. Wright of Alamogordo has been called to hear these cases. This case, which at present has under advisement and in which a decision will probably be rendered soon, is that of the First National bank of Safford, Arizona, vs. Pablo Lujan et al. as trustees on the bond of W. J. McGinnis as administrator for the estate of Thomas Bell.

Judge Wright will also try six or seven cases brought by Mrs. Frances Hiltz et al. in order to settle certain debts executed by W. J. McGinnis as administrator with the will of the Bell estate, the sales having been made under power contained in the will to pay debts of the estate. These sales include a number of valuable ranches in the state and the amount of the sum is being watched very closely by a large number of land owners who hold title coming from the sales by the administrator.

Judge Wright will also hear this week a demurrer in the case of the Madrid Valley Realty company vs. the Burtco Development and Power Company, involving a conflict in the boundary between the Santo Tomas and the Madrid land grants.
